

Luxury Traveling Conversion

Assignment: For a professional couple that wants to travel with their pets, convert this Sprinter 144 into a luxury transport that can provide comfortable sleeping arrangements, with all the bells and whistles, and keep their three parrots and four dogs happy on long road trips.

"We've taken hundreds of road trips over the years. Our 'Land Shark' is the most comfortable vehicle we've ever traveled in."

"After our inaugural 1,200 mile trip, we stepped out of our van saying that those upgraded seats were the best thing we ever did!"
